

Clarity face covering

BGCFC

Create connections with your customers and break down barriers for the deaf and hard of hearing, enabling understanding and allowing them to share your smile.

Developed for the deaf, the hard of hearing and those using sign language, this face covering enables clear vision of the face, allowing movements and facial gestures to be clearly

Key features

- ✦ Anti-fog protection
- ✦ Fluid resistant and latex-free
- ✦ Clear visor for full-face visibility
- ✦ Comfortable and breathable
- ✦ With comfort-fit adjustable strap
- ✦ Filled foam top and bottom strips to prevent droplet ingress
- ✦ Helps to reduce anxiety and stress in healthcare and retail environments
- ✦ Breaks down barriers for the deaf and hard of hearing
- ✦ Perfect for the elderly, children, those experiencing stress or anxiety, those who may not speak the same language, interpreters, and many more

Barriguard's transparent face covering with an anti-fog plastic barrier helps to protect the face from splashing or spraying of infectious or hazardous substances.

This disposable face covering has been designed to help block the transfer of aerosols, fluids, and sprays using an anti-fogging plastic barrier. The face covering meets the relevant standards for fluid resistance (ASTM F1862: 160 mmHg) and flammability.

Due to the impervious plastic barrier, bacterial filtration efficiency, particle filtration efficiency, and differential pressure tests are not applicable.

Quantities available

- ✦ 24 UNITS PER BOX
- ✦ 18 BOXES PER CASE (432 UNITS)

MD, MHS, FAAP

Product technical information

Characteristic	Testing Methodology	Testing Results
Fluid Resistance	ASTM F1862	Resistant at 160 mmHg
Flammability	16 CFR 1610	Flame spread = Class 1
Bacterial Filtration Efficiency	ASTM F2101	Not applicable (no airflow through plastic barrier)
Particulate Filtration Efficiency	ASTM F2299	
Differential Pressure	MIL-M-36954C	

Specification	Details	
Characteristics	Anti fog Fluid resistant Latex-free Non-sterile Single-use only Not intended to be reprocessed or reused	
Intended Use	Block transfer of aerosols, fluids and sprays	
Materials	Body	Foam, anti-fog plastic film
	Straps	Elastic strap with adjuster
Colour	Transparent plastic film, white foam and straps	
Product Dimensions (L x W x H)	19 x 11 x 1.8 cm	
Product Net Weight	0.35 oz or 9.95 g	
Storage Conditions	Store at room temperature in a ventilated, low-humidity environment. Avoid excessive heat or humidity.	

Packaging details

Item Number	Description	Per Box	Per Case
CM001EZ	Transparent face covering with adjustable strap	24 units	18 boxes

Unit	Quantity Per Unit	Dimensions (L x W x H)	Net Weight	Gross Weight
Box	24 units	19.5 x 16.5 x 14 cm	0.24 kg	0.30 kg
Case	432 units (18 boxes)	60.5 x 51.5 x 31 cm	4.3 kg	6.9 kg
